

**National Space Society**

## About the NSS

The origins of the National Space Society (NSS) date back to 1975. We are an independent non-profit organization dedicated to the creation of a 21st century spacefaring civilization. The NSS is widely acknowledged as the preeminent citizen's voice on space. NSS has over 50 chapters in the United States and around the world. The society also publishes Ad Astra magazine, an award-winning periodical chronicling the most important developments in space.

## Our Vision

People living and working in thriving communities beyond the Earth, and the use of the vast resources of space for the dramatic betterment of humanity.

## Our Mission

NSS mission is to promote social, economic, technological, and political change in order to expand civilization beyond Earth, to settle space and to use the resulting resources to build a hopeful and prosperous future for humanity.

# SPACE SETTLEMENT SUMMIT 2

In recognition of this era of incredible growth in space, the National Space Society's Space Settlement Summit brings together leading people, companies and organizations who are working together to make space settlement a reality.

Participation in this exclusive event is by invitation only, and is limited to a select group of thought leaders and influencers who are spearheading the international conversation about the near-term settlement of space. The Space Settlement Summit highlights the synergistic in-space ecosystem now emerging, facilitates the convergence of interests and opportunities amongst key players, and identifies critical issues along the path to space settlement, flourish in the immediate future.

## JOIN 2017 SPACE SETTLEMENT SUMMIT OCTOBER 18 – 19, 2017

In the past 50 years, humans have reconnoitered the solar system from the sun to Pluto, and are just starting to reach beyond. While this exploration continues, the critical next step is to learn how to utilize the vast resources found in space to develop a thriving space economy, leading to the long-term settlement of space. If your organization wants to be a meaningful partner in this vibrant future, join us for the Space Settlement Summit.

2017 Location to Venue: LE MERIDIEN DELFINA SANTA MONICA 530 Pico Boulevard, Santa Monica CA 90405
